MARCH IVY BASH

9am to 1pm, Saturday March 28, 2015

**Location: Pilot Point
(Big Hill North of Moonstone Beach)**

Help save Pilot Point, the Land Trust's largest landholding located at the north end of Moonstone Beach with beautiful Two Creek running through it. Pilot Point is a property dedicated to the conservation of native flora and fauna and is a research area for HSU. Its southern slopes are home to the increasingly rare mountain beaver, a large (and some think cute) nocturnal rodent unrelated to the true beaver.

Bring gloves, tools and sturdy shoes. Some gloves and tools will be provided. Lunch will be provided after the bash.

PARKING: Parking is available at 1) limited parking will be available at 305 Osurg Lane at the work site, on the west side of Scenic Drive 100 yards north of the intersection of South Westhaven Drive and Scenic Drive; 2) the south end of Scenic Drive at the cul-de-sac; or 3) on Scenic Drive at the Camel Rock overlook or in pullouts south of that.

CALL STEEN at 707-834-4499 for details
