

Trinidad Community Coastal Resilience Planning Project Public Meeting 3

Thursday March 7, 2024 from 6:00-8:00pm
In-Person Meeting

The City is currently working on a Community Coastal Resilience Action Plan.

This is the third in a series of meetings to share information about the Planning Project and to gather public input about climate concerns and strategies to address them.

The Resilience Action Plan will be completed in June 2024 and will include project ideas and strategies to increase the Trinidad community's resilience to climate change.

Please join us at the City's Town Hall, 409 Trinity Street.

This project is funded by
Proposition 68 grant
funds through the Ocean
Protection Council.
